### PROFESSIONAL SUMMARY

Software Developer with professional experience building and maintaining production-ready software, with strong experience in backend development, business logic, APIs, databases, cloud services, and software architecture. Experienced in TypeScript, Node.js, React, Next.js, MySQL, Prisma, and AWS, with additional experience integrating frontend interfaces and working collaboratively on production systems.

### TECHNICAL SKILLS

|                      |                                               |
|----------------------|-----------------------------------------------|
| <b>Languages:</b>    | JavaScript, TypeScript, SQL                   |
| <b>Backend:</b>      | Node.js, Express.js, REST APIs                |
| <b>Database:</b>     | MySQL, Prisma                                 |
| <b>Cloud:</b>        | AWS (Lambda, SES, Cognito, S3)                |
| <b>Frontend:</b>     | React.js, Next.js, Tailwind CSS               |
| <b>Tools:</b>        | Git, Docker                                   |
| <b>Architecture:</b> | Clean Architecture, Domain-Based Architecture |

### PROFESSIONAL EXPERIENCE

**Software Developer** — SkillPrompt Pvt. Ltd. December 2024 – Present | Nepal

- Developed and maintained production-ready software products, including yourOSHC and yourOVHC, for an Australian insurance provider and intermediary as part of a development team.
- Engineered backend systems, core business logic, and financial/insurance workflows using Node.js, Express.js, and TypeScript.
- Applied Clean Architecture and Domain-Based Architecture principles to maintain modular, scalable, and well-structured codebases.
- Built and maintained REST APIs and managed database schemas and queries using MySQL and Prisma.
- Integrated AWS cloud services into application workflows, including AWS Lambda, AWS SES, AWS Cognito, and AWS S3.
- Implemented frontend integration and user interfaces using React, Next.js, and Tailwind CSS, connecting client-side views with backend services.

**Software Developer Intern** — SkillPrompt Pvt. Ltd. September 2024 – November 2024 | Nepal

- Gained hands-on experience in real-world software development within a collaborative team, contributing to both backend and frontend tasks.
- Worked with JavaScript, TypeScript, React, and Node.js to support application features and API integrations.

### EDUCATION

**Bachelor of Computer Applications (BCA)** — Pokhara University, Nepal

2022 – 2026

CGPA: 3.75 / 4.00
